Fuel Saver Programs Contract – Terms and Conditions

The following Terms and Conditions apply to all fuel saver programs where applicable:

- All programs will be delivered on an **automatic delivery basis**. No "will call" deliveries.
- No coupons will be accepted for programs.
- Contract must be signed by customer and an agent of Townsend Energy.
- Sales Tax may be added to your contract as dictated by the statutes of the taxing jurisdiction where delivery of fuel is made.
- Customer agrees to purchase all fuel exclusively from Townsend Energy until contracted quantity has been delivered. Any fuel deliveries exceeding pre-buy quantity will be invoiced at current market price. Must have credit approval to be invoiced net/30 terms. Otherwise, deliveries will be on Cash-On-Delivery basis. **Premature cancellation of this contract will result in a cancellation fee of \$150.00.**
- "Cap", "Fixed" and "Budget" pricing customers must be credit approved.
- Customer's account must be kept current at all times to receive special rates under the "cap" or "Fixed" pricing programs. No delivery of product will be made to any delinquent account. Townsend Energy reserves the right to void this contract in the event the customer's account becomes delinquent.
- Budget accounts will be reviewed periodically throughout the heating season to compare actual and estimated usage. Monthly budget payment amounts may be adjusted based on the outcome of these reviews.
- The heating season is defined as September 1st through April 30th. Typical first delivery occurs in late September or during the month of October.
- **All payments made under the pre-buy offer are non-refundable.** Customer may make a special request for a refund of unused money; however, customer understands and agrees to a 20% service fee to be applied and deducted from the refund amount requested. Any unused balance will be carried forward to next season or balance may be used to purchase other products from Townsend Energy. Deliveries after April 30th will be computed using Townsend's posted price at the time of delivery.
- Townsend Energy is not responsible for supply shortages due to strikes, embargos, terrorism, acts of God or any other reason beyond Townsend Energy's control.
- Where applicable, prices quoted are for the quantity of product contracted for on the face of this form. Customer agrees to pay market price for quantities used in excess of those agreed to under the scope of these programs.
